Cover Art
David on Vacation
by Tito Salomoni

Tito Salomoni's unique surrealistic paintings create a world filled with mysterious and compelling images, beckoning you to step into them with your mind's eye and unlock the hidden meanings. His award-winning work has been featured on many international magazine covers.

The work of Salomoni takes the shape of a charade and the spectator is given the task of finding the answer. The artist, for his part, seeks and nearly always succeeds to see inside objects, beyond walls, fabrics, beyond the very bone structure of men to extract from them the essence, the thoughts, in a counterplay of illusion, pregnant with meaning.
